After Funeral Reception

Thank you for your interest in The Gallery. Our two floor banquet facility can comfortably accommodate a small group or as many as 250 persons on each floor. White Table linens and napkins are included. Our fresh flowers are available for your use.

Our separate banquet kitchen assures you that the dinner you select will be prepared carefully and served promptly.

Upon making reservation, we will work with you to get a good estimated number of guests; we will then charge you for the number of guests that actually come back for lunch. If your number is fewer than the minimum we will pack food for you to take home.
